Each city distinct by itself, arranged in the above order.

SOCIAL . REGISTER . ASSOCIATION,
BOWLING GREEN, 29 BROADWAY, NEW YORK CITY.

Copyright 1918 by THE SOCIAL REGISTER ASSOCIATION.

The winter Social Register of each city appears in November, with ^{Dilatory}~~Dilatory~~ ^{omniciles}~~omniciles~~ in December, January, February and April. They record the full names and addresses of members of prominent families, grouped together, the clubs to which they belong, and the marriage, death and European arrival and departure of each person as it may occur.

Names of Juniors { ^{Misses}~~Misses~~ 12 to 17 } appear under the names of { ^{Mrs}~~Mrs~~ 14 to 20 } oldermembersoftheirfamilies.

The Locater cataloguing in one alphabetical order every name in all the Social Registers with the family's head under which it may be found and the city in which the name appears, is essential, owing to the many inter-marriages among families in the various cities and constant changes from one city to another. Reference to the Locater shows at once under what city to look for any desired name and there all required information may be gleaned.

The names of ^{Married}~~Married~~ ^{Maids}~~Maids~~ who have married into families of other cities appear among the ^{Married}~~Married~~ ^{Maids}~~Maids~~ of their former city with their present married name and the city of their residence in italics.

Information for November should be *received before October 15.*

The subscription is **\$5.00** per annum for each city or **\$7.50** with the Locater.

A subscription of **\$35.00** will include all the issues for every city for the year and the Locater.

455521

To insure the finding of a name in the Social Register look for it first in the Locater.

Families not appearing in this Summer issue will be found at the address given in previous issues.

^{History}
^{omitted}
under front cover of this book should be consulted first for all changes. If the name be not found there it is correct in the main book.

The names of yachts have been omitted in this year's Summer Social Register owing to the very small number in commission.
